

## Data Protection Agreement

This Data Protection Agreement and its annexes (“**DPA**”) establishes minimum data protection and cyber-security standards and related requirements and forms part of the Agreement (the “**Agreement**”) entered into by and between the Service Provider (as defined in the Agreement) and Cepheid (as defined in the Agreement) and shall continue in full force and effect for the duration of the Agreement. Cepheid and the Service Provider are hereinafter individually referred to as a “**Party**” or collectively as the “**Parties**”.

The Parties agree that where there is Processing of Personal Data under the Agreement, the terms of this DPA will apply to that Agreement, whether or not expressly referenced in that Agreement.

WHEREAS, the Parties have entered into an Agreement, effective from the “**Effective Date**” to the “**Expiration Date**”, as defined in said Agreement.

WHEREAS, the Parties to the Agreement seek to add certain data privacy and security terms to the Agreement.

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties agree to the following:

### 1. Definitions.

- (A) “**Applicable Law**” means any law (including all worldwide data protection and privacy laws and regulations applicable to the Personal Data in question, including, where applicable, EU Data Protection Law or POPIA), rule or regulation applicable to the Agreement, the Services, or Parties, and applicable industry standards concerning privacy, data protection, confidentiality, information security, availability and integrity, or the handling or Processing (including retention and disclosure) of Personal Data, as may be amended, regulated, restated or replaced from time to time.
- (B) “**Cepheid**” means Cepheid and each subsidiary of Cepheid for which Service Provider provides or is engaged to provide Services.
- (C) “**Covered Information**” means, in any form, format or media, any (i) confidential information of Cepheid, and/or (ii) Personal Data, in each case together with any encryption key used to encrypt such information or data.
- (D) “**Data Security Incident**” means (i) the loss or misuse (by any means) of Covered Information; (ii) the inadvertent, unauthorized, and/or unlawful disclosure, access, alteration, corruption, transfer, sale, rental, destruction, or use of Covered Information; (iii) any other act or omission that compromises or may compromise the security, confidentiality, or integrity of Covered Information or an Information System, or (iv) any breach of security safeguards.
- (E) “**Data Subject Request**” means any request by a natural person to access, update, revise, correct, object to Processing or delete Personal Data or any similar request, whether or not made pursuant to Applicable Law.
- (F) “**EU / UK / Swiss Data Protection Law**” means (i) Regulation 2016/679 of the European Parliament and of the Council on the protection of natural persons with regard to the Processing of Personal Data and on the free movement of such data (General Data Protection Regulation (“**EU GDPR**”)); (ii) the EU GDPR as saved into United Kingdom law by virtue of section 3 of the United Kingdom's European Union (Withdrawal) Act 2018 (the “**UK GDPR**”); (iii) in Switzerland the Federal Act on Data Protection of 19 June 1992 (revised version) (the “**FADP**”); (iv) the EU e-Privacy Directive (Directive 2002/58/EC); and (v) any and all applicable national data protection laws made under or pursuant to (i), (ii) or (iii); in each case as may be amended or superseded from time to time.
- (G) “**Personal Data**” means all data or information obtained by Service Provider from or on behalf of Cepheid for the permitted purpose, in any form or format, that identifies, relates to, describes, is reasonably capable of being associated with, or could reasonably be linked, directly or indirectly, to an identified or identifiable natural person. For clarity, Personal Data also means Personal Information.

- (H) “**POPIA**” means the Protection of Personal Information Act, South Africa, an Act dealing with the protection and regulation of processing personal information within the Republic of South Africa, assented to on November 13, 2013 and commenced application on July 1, 2020.
- (I) “**Process**” (including “**Processing**” or “**Processed**”) means any operation or set of operations that is performed upon any Covered Information, whether or not by automatic means, including, but not limited to, collection, recording, organization, storage, access, adaptation, alteration, retrieval, consultation, use, disclosure, dissemination, making available, alignment, combination, blocking, deletion, erasure, or destruction.
- (J) “**Restricted Transfer**” means (i) where the EU GDPR applies, a transfer of Personal Data to a country outside of the European Economic Area which is not subject to an adequacy determination by the European Commission; (ii) where the UK GDPR applies, a transfer of personal data to any other country which is not based on adequacy regulations pursuant to Section 17A of the United Kingdom Data Protection Act 2018; (iii) where the FADP applies, a cross-border disclosure in the absence of legislation that guarantees adequate protection pursuant to Article 6 of the FADP; and (iv) where the POPIA applies, a cross border transfer, disclosure or exchange of information outside the Republic of South Africa.
- (K) “**Standard Contractual Clauses**” means (i) where the EU GDPR applies, the contractual clauses annexed to the European Commission’s Implementing Decision 2021/914 of 4 June 2021 on standard contractual clauses for the transfer of personal data to third countries pursuant to Regulation (EU) 2016/679 of the European Parliament and of the Council (“**EU SCCs**”); (ii) where the UK GDPR applies, the “International Data Transfer Addendum to the EU Commission Standard Contractual Clauses” issued by the Information Commissioner under s.119A(1) of the Data Protection Act 2018 (“**UK Addendum**”); (iii) where the FADP applies, the model contracts and standard contractual clauses recognized per the Swiss Federal Data Protection and Information Commissioner (“**FDPIC**”) pursuant to Article 6 paragraph 2 letter a of the FADP in accordance with the statement of the FDPIC of 27 August 2021 (originally available at <https://www.edoeb.admin.ch/dam/edoeb/en/dokumente/2021/Paper%20SCC%20def.en%2024082021.pdf.download.pdf/Paper%20SCC%20def.en%2024082021.pdf>) (“**Swiss Addendum**”); and (iv) where the POPIA applies contractual clauses related to protection, processing and transfer of personal information executed by two or parties in relation to such information.
- (L) “**Service provider’s Sub-Processor**” means any entity or person that Processes Personal Data on behalf of Service Provider in connection with the Agreement.
- (M) “**Information System**” means any system, network, platform, database, computer, telecommunications or other information system owned, controlled or operated by or on behalf of either Party or any of its Affiliates (as defined in the Agreement) for the purpose of Processing Covered Information pursuant to the Agreement.

Any terms and expressions that are used in the DPA and not defined beforehand have the meaning ascribed to them by the Agreement or Applicable Law.

## 2. Relationship of the Parties:

- 2.1 Cepheid, as Processor for a Customer (the “**Controller**”) appoints Service Provider as a sub-processor to Process the Personal Data described in Annex 1 to this DPA for the purposes described therein (or as otherwise agreed in writing by the Parties) (the “**Permitted Purpose**”). Each party shall comply with the obligations that apply to it under Applicable Law.
- 2.2 Cepheid collects and processes the necessary identification data for the purpose of concluding and performing the Agreement, and more broadly for the management of the Parties business relationship, for sending information on products, goods and services or related products, goods, or services from affiliates.

For more information, the Cepheid’s Privacy Policy is available on Cepheid website, or you can contact Cepheid at the email address: [privacy.officer@cepheid.com](mailto:privacy.officer@cepheid.com)

Service Provider commits to inform any data subject concerned about Cepheid's processing activities and provide Cepheid's privacy notice accordingly.

3. General Requirements. If Service Provider Processes Covered Information on behalf of Cepheid, Service Provider shall:
- (a) Process Covered Information solely as necessary to provide the Service to Cepheid, and in accordance with Applicable Law and the written instructions of Cepheid. Service Provider is specifically prohibited from selling Covered Information and from retaining, using, or disclosing Personal Data for a commercial purpose other than providing the Service as specified in the Agreement or in any manner outside of the direct business relationship between Service Provider and Cepheid;
  - (b) Maintain the confidentiality of all Covered Information;
  - (c) Be responsible for the compliance of its personnel with the terms of this DPA;
  - (d) Not disclose Covered Information to Third Parties (including Service Provider's Sub-Processors):
    - (1) without the prior written approval of Cepheid, and provided further that Service Provider remains fully liable to Cepheid for such Third Party and enters into a written and enforceable agreement with such Third Party that includes terms that are no less restrictive than the obligations applicable to Service Provider under this DPA; or
    - (2) unless required by Applicable Law, in which case Service Provider shall wherever possible: (a) notify Cepheid promptly in writing before complying with any disclosure requirement, (b) comply with all reasonable directions of Cepheid with respect to such disclosure, and (c) promptly inform Cepheid of any Covered Information so disclosed;
  - (e) Promptly notify Cepheid of:
    - (1) any request, inquiry, complaint, notice or communication received from any Third Party, including a data subject or a supervisory authority, with respect to any Covered Information and comply with instructions of Cepheid in responding to such request, inquiry, complaint, notice or communication. Without limiting the generality of the foregoing, Service Provider shall notify Cepheid in writing within five (5) business days of receipt of any Data Subject Request relating to Personal Data Processed by Service Provider pursuant to this DPA and shall provide Cepheid its reasonable assistance in responding to any such Data Subject Request (whether or not received directly by Service Provider);
    - (2) any instruction by Cepheid that Service Provider believes to be in violation of Applicable Law; and
    - (3) any substantial changes to the Service Provider's notices, policies or procedures that would impede the Service Provider's ability to fulfil the terms of this DPA regarding protection of Personal Data;
  - (f) Upon Cepheid's reasonable request, submit the facilities it uses to Process Covered Information and/or Personal Data for audit which shall be carried out by Cepheid representatives or an auditing body agreed to by both Parties;
  - (g) Keep records that demonstrate its compliance with its obligations under this DPA and make them available to Cepheid in connection with any audit referred to in (F) above;
  - (h) Reasonably assist and cooperate with Cepheid, including by providing information requested by Cepheid, to allow Cepheid to comply with its obligations under Applicable Law;
  - (i) Retain Covered Information only for as long as necessary to perform the Services, and at the end of the provision of the Services, at Cepheid's choice, delete or return the Covered Information to Cepheid as specified in Annex 1 below, unless expressly required otherwise by Applicable Law. Without limitation to the generality of the foregoing and the duration defined in Annex 1 below, Service Provider shall, within five (5) business days of an applicable request from Cepheid, delete or destroy all copies of Personal Data as directed by Cepheid, and provide a copy of such data in a portable and readily useable format as directed by Cepheid; and
  - (j) If Service Provider suspects or becomes aware of a Data Security Incident:
    - (1) provide Cepheid written notice without undue delay and no later than twenty-four (24) hours after becoming aware of such suspected or confirmed Data Security Incident;
    - (2) undertake an investigation of such Data Security Incident and reasonably cooperate with Cepheid, its regulators and law enforcement agencies;
    - (3) not make any public announcements relating to such Data Security Incident without Cepheid's prior written approval, which shall not be unreasonably withheld; and

- (4) take all reasonable corrective action in a timely manner, at the expense of the Service Provider, to remediate and prevent a recurrence of such Data Security Incident.

#### 4. Cyber and Information Security.

##### 4.1 Service Provider represents and warrants that it shall establish, maintain and comply with:

- (a) Administrative, technical, and physical safeguards designed to ensure the security, confidentiality, reliability and integrity of Covered Information, as well as any Information Systems, facilities, or software that Service Provider accesses or supports in connection with the Agreement. Such safeguards should:
  - (1) be commensurate with the type and amount of Covered Information Processed by Service Provider, having regard to the state of the art and industry standards, and should, at a minimum, protect Covered Information and Information Systems against reasonably anticipated threats or hazards, including from unauthorized access, loss, theft, destruction, use, modification, collection, attack, or disclosure;
  - (2) address the security controls set forth in the ISO 27000 series and in the Center for Internet Security's Critical Security Controls, formerly known as the SANS Top 20; and
  - (3) comply with the Payment Card Industry Data Security Standards if Service Provider Processes cardholder or other financial account data;
- (b) A written security program and policy that meets or exceeds the requirements imposed under Applicable Law and aligns with established industry practices. Such security program and policy should address, at a minimum, the following:
  - (1) identification of appropriately defined organizational roles related to information security;
  - (2) controls with respect to the employment of and access given to Covered Information by employees, agents and subcontractors of Service Provider including background checks, security clearances that assign specific access privileges to individuals, and training regarding the handling of Covered Information;
  - (3) an appropriate network security program that includes, without limitation, encryption and network and application partitioning;
  - (4) access identification and authentication;
  - (5) maintenance and media disposal;
  - (6) audit and accountability;
  - (7) physical and environmental protection;
  - (8) Information System and communication security;
  - (9) incident response and planning; and
  - (10) the integrity and reliability of facilities, Information Systems and services, including critical asset identification, configuration and change management for software systems, and contingency planning/redundancy.

##### 4.2

- (a) The Service Provider acknowledges that he must provide information to complete Annex 2 of the DPA "**Technical and Organizational Measures**", within thirty (30) days from the Effective Date of this Agreement.

Upon receipt, Cepheid shall check such information and may request additional information, clarification or confirmation, which the Service Provider shall provide as soon as possible.

Annex 2 shall be considered complete only upon Cepheid written confirmation.

Cepheid reserves the right to take any appropriate action against the Service Provider, including but not limited to termination of this Agreement according to Article 9.3 of the Agreement, in the event the Service Provider has not provided all information, including any required additional information, within ninety (90) days after Effective Date of this Agreement. Any extension in the aforementioned timeline, is subject to Cepheid's prior written approval which may be withheld by Cepheid without justification.

- (b) Upon receipt of the complete information, if Cepheid concludes, according to his own standards, that the described Technical and Organizational Measures are not sufficient to comply with the applicable global or local privacy, data protection and information regulations, Cepheid can request in writing to the Service Provider the implementation, in a specific period of time, of any necessary Technical and Organizational Measures ensuring due compliance with applicable global or local privacy, data protection and information regulations. If the Service Provider refuses or fails to implement such necessary Technical and Organizational Measures, Cepheid reserves the right to take any appropriate action against the Service Provider, including but not limited to termination of this Agreement according to Article 9.3 of the Agreement.

All Technical and Organizational Measures will be recorded in Annex 2 of the DPA. The Service Provider undertakes to cooperate and execute any such request, deed, document, agreement or undertaking to give effect to the DPA in this Agreement, and to ensure due compliance with applicable global or local privacy, data protection and information regulations.

5. Third-Party Rights. The Parties to the Agreement expressly confirm and acknowledge that, where Service Provider performs Service for or on behalf of Cepheid, Cepheid shall have the non-exclusive benefit of the rights arising under this DPA, notwithstanding anything to the contrary elsewhere in the Agreement (including any limitation on Third-Party beneficiaries under the Agreement). Accordingly, Cepheid may take any action to enforce rights and obligations arising from this DPA.

International Transfers.

- (A) The Parties agree that when the transfer of Personal Data from Cepheid to Service Provider is a Restricted Transfer it shall be subject to the appropriate Standard Contractual Clauses as set out in the Annex 3.
- (B) Service Provider shall not participate in (nor permit any Sub-Sub Processor to participate in) any other Restricted Transfers of Personal Data (whether as an exporter or an importer of the Personal Data) unless: (i) it has first obtained Cepheid's prior written consent which, where Cepheid is a processor on behalf of a Third Party controller, shall reflect the controller's instructions; and (ii) the Restricted Transfer is made in full compliance with Applicable Law and pursuant to Standard Contractual Clauses implemented between the relevant exporter and importer of the Personal Data.

6. Miscellaneous. In the event of a conflict or inconsistency between this DPA and any other portion of the Agreement, this DPA shall govern and control; provided that the terms of this DPA are without limitation to, and are not intended to supersede or limit, any other terms that are more protective of Personal Data, privacy, or cybersecurity. If applicable, the Standard Contractual Clauses, including Annexes 1 -5, shall govern and control in the event of any conflict or inconsistency between the terms of the Agreement, this DPA and the Standard Contractual Clauses.

IN WITNESS WHEREOF, the Parties have executed this DPA as of the Effective Date. The Service Provider indicates the acceptance of this DPA and accepts its terms by signing or executing the Agreement that references this DPA.

## Annex 2 of the DPA

### Technical and Organizational Security Measures

This Annex 2 forms part of the DPA and describes the technical and organizational measures which Service Provider has implemented in accordance with Article 32(1) of the GDPR and other Applicable Data Protection Laws.

1- On site:

Service Provider associate may use encrypted USB drive to extract necessary Customer instrument data to remedy technical issues and instrument performance.

For instrument Cepheid XpertCare Program determination and performance optimization visits, Service Provider associates access only minimum necessary data, which does not contain any patient healthcare data. The data is transferred to the Service Provider associate's notebook, is processed for customer report generation with recommendations, and is thereafter deleted per Standard Work and Cepheid data retention policies.

2- Remotely:

Access role: Only Service Provider Technical Support and Field Support associates have secured access to the instruments. For remote support for complaints handling, Service Provider agents can use Remote Desktop Sharing (RDS) sessions, but only after the session is authorized by the customer at each instance.

Data transmission: data is transmitted via secure encrypted method to internal Service Provider servers for associate to engage in customer support activities (TLS 1.2+ protocols are used for secured transactions).

3- Customer sends data:

Sending by email, on web platform or per fax: data is sent by the Customer via secure encrypted method to internal Service Provider associate.

4- Data transfers within Service Provider Support functions:

If additional support is needed outside Customer home region, only necessary information will be transmitted; unnecessary Personal and Healthcare Data will be deleted / anonymized where possible\* and data will be sent via secure sharing method. Data at rest is encrypted and is destroyed per appropriate Service Provider policy.

5- Policy and Practice:

Service Provider ensures the ongoing confidentiality, integrity, availability and resilience of processing systems and services, and has the ability to restore the availability and access to personal data in a timely manner in the event of a physical or technical incident.

6- Processes:

Service Provider has a process for regularly testing, assessing and evaluating the effectiveness of technical and organizational measures for ensuring the security of the processing.

\* Procedure to de-identify/anonymize is instrument specific.

## Annex 4 of the DPA

### 4.1 Supplemental requirements for the transfer of Personal Data out of the European Economic Area

The following supplemental requirements shall apply to any Restricted Transfer:

1. Vendor shall regularly make available to Cepheid information regarding public authority requests for access to Personal Data and the manner of reply provided (if permitted by law);
2. Vendor warrants that it has not purposefully created technical back doors or internal processes to facilitate direct access by public authorities to Personal Data, and is not required under applicable law or practice to create or maintain back doors;
3. Vendor shall inquire of any public authority making an access request regarding Personal Data whether it is cooperating with any other state authorities in relation to the matter;
4. Vendor shall provide reasonable assistance to data subjects in exercising their rights to Personal Data in the receiving jurisdiction;
5. Vendor shall cooperate with Cepheid in the event that a relevant supervisory authority or court determines that a transfer of Personal Data must be subject to specific additional safeguards;
6. Vendor shall implement encryption and/or other technical measures sufficient to reasonably protect against interception of Personal Data during transit, or other unauthorized access, by public authorities; and
7. Vendor shall have appropriate policies and procedures in place, including training, so that requests for access to Personal Data from public authorities are routed to the appropriate function and properly handled.

### 4.2 Supplemental requirements for the transfer of Personal Data out of the Republic of South Africa

The following supplemental requirements shall apply to transfer of Personal Data out of the Republic of South Africa:

1. Transfer of personal data outside of South Africa shall meet the following parameters:
  - (A) the Party who is the recipient of the information is subject to a law, binding corporate rules or binding agreement which provide an adequate level of protection that:
    1. effectively upholds principles for reasonable processing of the information that are substantially similar to the conditions for the lawful processing of personal information relating to a data subject who is a natural [person](#) and, where applicable, a juristic [person](#); and
    2. includes provisions, relating to the further transfer of personal information from the recipient to third parties who are in a foreign country;
  - (B) the data subject consents to the transfer;
  - (C) the transfer is necessary for the performance of a contract between the data subject and the responsible party, or for the implementation of pre-contractual measures taken in response to the data subject's request;
  - (D) the transfer is necessary for the conclusion or performance of a contract concluded in the interest of the data subject between the responsible party and a third party; or
  - (E) the transfer is for the benefit of the data subject, and:
    1. it is not reasonably practicable to obtain the consent of the data subject to that transfer; and

2. if it were reasonably practicable to obtain such consent, the data subject would be likely to give it.
- 
2. For the purpose of this section:
    - (A) “binding corporate rules” means personal information processing policies, within a group of undertakings, which are adhered to by a responsible party or operator within that group of undertakings when transferring personal information to a responsible party or operator within that same group of undertakings in a foreign country; and
    - (B) “group of undertakings” means a controlling undertaking and its controlled undertakings.
